You can access the County of Newell Public Web Map through the freely available app ESRI Field Maps on your mobile device.

1) Go to your device's app store, Google's "Play Store" or Apple's "App Store".
2) Search for "ESRI Field Maps"
3) Download and install the app to your device. Once the app has been installed launch it.
4) When the app opens, you will be given the option to sign in with either your "ArcGIS Online" or "ArcGIS Enterprise" account. If you don't have either of these accounts, select "Skip sign in".
5) Click the search button icon "the magnifying glass" and type "County of Newell" into the field.
6) You will see a list of results, select "County of Newell Public Web Map – Map Data".
7) You will be prompted to allow the "Field Maps" application to access the device's location. If you allow the application to access the device's location it will show you where your current location on the map and update it within the "Field Maps" app as you move.
