

COUNTY OF  
**NEWELL**

### **Notice of Updates to Fees Schedule**

Fees that the County of Newell charges for a variety of goods and services provided are established annually through a Schedule of Fees Bylaw.

Council has given first reading to Bylaw 2021-21 which contains modest adjustments in some of the fees charged and includes adjustments for development and construction permits, water and sewer services, passenger fares for patrons of the County's minibuss service, along with fee adjustments for some of the other services provided.

Details of the proposed changes can be viewed on the County's website:
